

Opportunities at Park Community School

Park Community School, Havant, Hampshire PO9 4BU

Teacher of Food Technology from January 2023 (suitable for ECT)

Fixed Term Contract for 1 year initially

We are looking for an enthusiastic and inspiring classroom practitioner with a real passion for Catering and Food Technology. We offer an exciting opportunity to enhance an already successful and motivated team, characterised by an ambitious drive for excellence centred on the school's vision of 'Success for All through Attainment, Resilience and Autonomy'.

Park Community School has recently been rebuilt. All lessons, across all subjects, are taught in modern facilities within our new school building.

Our Food Technology area includes a conventional practice/theory cooking room and catering room with serving hatch and mini café area, alongside two new workshops. We also have a smallholding 'farm' to help children learn from and about the land and animals, which could lead to our Catering and Food Technology department becoming partly self-sustainable.

We offer a fantastic working environment, where staff well-being is truly valued.

We offer high quality support and programmes of professional development, which provide many opportunities for both ECTs and for more experienced colleagues. As a department, we encourage staff to be forward-thinking to keep the subject current and up-to-date and are very supportive of those seeking opportunities to develop teaching and learning.

To apply for this position, please download application form and details from www.pcs.hants.sch.uk or e-mail recruitment@pcs.hants.sch.uk to request an application pack. We look forward to hearing from you.

Closing date for applications: Monday, 26 September 2022

Park Community School is committed to safeguarding children and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Enhanced DBS check along with other relevant employment checks.

In promoting equal opportunities, the school welcomes applications from all sections of the community.
