Dear Parents and Carers

I am writing to inform you that there will be some changes to Year 7 timetables from January 2023.

As you are aware, Year 7 are taught in their tutor groups for the first term at Park. This allows them to settle in and for teachers to get to know them. From January 2023, groups in most subjects will be changed to suit students' needs and allow teachers to best support them to make progress.

Year 7 will receive their updated timetables this Friday, so they have time to look at them before January. In addition, when we return after Christmas, the first period of the day will be spent with tutors ensuring all are ready to start strong.

Please take time to look at your child's new timetable with them before they return in January.

Thank you for your support over your child's first term at Park. I hope your family have a lovely Christmas and New year.

Yours faithfully
