Dear Parents/Carers

### Study Hall, Revision and Independent Study

To ensure the continued success of your child in Year 10, the expectations around revision and independent study at home become even more important and vital to achieving amazing GCSE results.

To support your child during year 10, Period 6 and Study Hall will be running most days after school from 3pm-5pm each day (Tuesday 2pm-4pm). During these times, there will be specific masterclasses by subject teachers which are shown below and then your child is able to stay later to complete some independent study, for example exam questions, revision cards etc. This time is not teacher led but there will be support if needed.

Please see the timetable below showing times for masterclasses and study hall:

	Monday	Tuesday	Wednesday	Thursday	Friday
2:00-3:00		Study Hall			
3:00-3:30	Science		Maths	English Literature	Study Hall
3:30-4:00	Study Hall		Study Hall	Study Hall	
4:00-5:00					

In the school planner, there are specific pages outlining the fundamental factors that lead to successful revision, such as where to revise, when to revise and how to choose what to revise. The pages will be shared both during tutor time and lessons to reinforce and further prepare students for independent study at home.

The promotion of good habits and routines in the GCSE journey will ensure your child has the skills not only to succeed at the end of Year 10 but to use these skills in their future learning. Revision guides for all subjects are available to purchase at reception.

Please encourage your child to complete any homework given, attend study hall regularly and encourage them to see their tutor or class teacher if they need further support.

Yours faithfully

Mr J Crowley  
Head of Year
