

Dear Year 11 Parents and Carers

We are pleased to invite you to our Year 11 Parents' Evening on Thursday 13 October 4.30-7.30pm.

This evening will be one of the most important to attend for your child now that they are into their final year at Park and preparing for GCSE exams and future career choices.

As you will know, your child's first round of mock exams begins straight after half term. Their mock timetable is also included with this letter.

On the evening you will be able to:

- Attend 5 minute appointments with your child's subject teachers
- Collect a GCSE preparation booklet - giving you all of the information you need about the year ahead and final examinations
- Purchase revision guides and scientific calculators at significantly reduced rates. Every child attending parents evening will be able to select one revision guide of their choice for free and purchase any others at a reduced rate of £2. The actual price of these is between £5 and £8. Scientific calculators are being sold at a reduced rate of £5
- Attend a revision skills workshop with your child to understand how you can support them with revision.

A small number of Year 11 students will be in Disneyland Paris on the date of the parent evening. Parents of these students are still encouraged to attend the parent evening.

Please use the link here to book your appointments:
