Fortnightly Update

25th May 2022

Dear Parents, Carers and Students,

What a busy half term this has been. Year 11 examinations, collaborations with rap artists and poets, science events, History Ambassadors running a Jubilee event, Greenpower racing and numerous PE events to name but a few. We even have some published authors in Year 7! There are now over 40 extra-curricular clubs running every week, all aimed at helping our students find what they love and developing their passion for it. The full list can be found here: [extra-curricular-clubs.pdf \(pcs.hants.sch.uk\)](https://www.pcs.hants.sch.uk/extra-curricular-clubs.pdf)

We hope you enjoy the long bank holiday weekend and Jubilee celebrations and look forward to seeing students back in school on Monday 6 June.

History Ambassadors Jubilee Tea Party

Tuesday saw our student History Ambassadors host a celebration in the style of a street party to mark the upcoming Queen's Platinum Jubilee. Our guests were a select group of Year 6 historians from our local primary feeder schools. History Ambassadors planned, organised and delivered a memorable experience where they shared their knowledge of the Queen's Coronation and reign, how street parties were celebrated in 1953 and looked into the history of how Leigh Park has celebrated in the past. Park students

researched the music, food selections and all the information they presented, creating a fun and interactive learning experience. Students from Barncroft Primary School said, "We had a great time learning about the history of the Coronation. We also loved the Coronation Chicken – we had no idea that this was made for the Queen's Coronation in 1953!". Well done to our History Ambassadors for putting on such a successful learning event!

Bedhampton Bowls Club

It has been an exciting year for extra-curricular clubs, teams and fixtures. During the Summer term we have set up links with Bedhampton Bowls Club where we have been learning how to play bowls with members of our community to build cultural capital. It has been amazing to see the interaction between both groups in which so many positive moments have been created. The students have been able to develop new skills both physical and social. The members of Bedhampton Bowls Club have enjoyed teaching and interacting with our young people.

Lippert Marine Mentoring

Year 10 mentoring with Lippert Marine continued this week with focused conversations about recent reports and targeting of revision work. The mentors and Year 10 boys have been discussing career choices and strategies to achieve the highest grades possible.

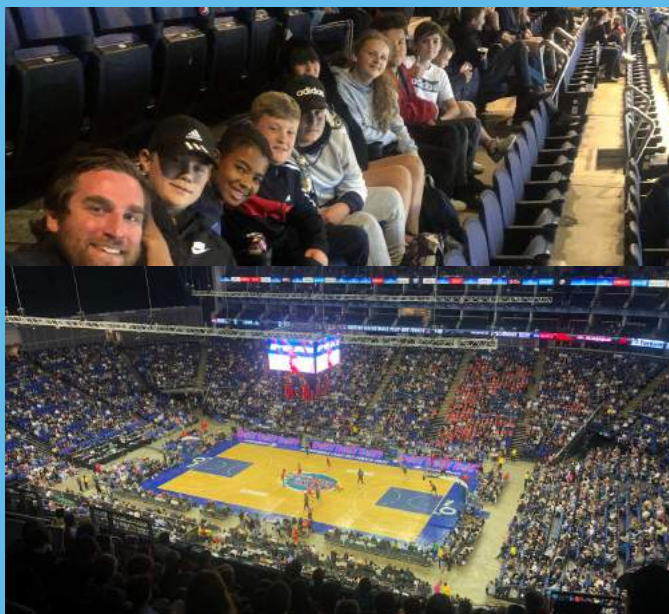

Mrs Capaldi

British Basketball

On Sunday 15 May, a group of Year 7 and 8 students attended the Men and Women's British Basketball Finals at the O2, London with me and Mr Herriot. This gave the students an opportunity to watch the professional game and for some to attend their first live sporting event. The students decided to support the home team, the London Lions, and were very excited to see them win the Women's game, however their men's team were narrowly beaten by the Leicester Riders.

Park Champions League

It was great to see over 40 students out for our Park Champions League today. It was another dramatic tournament today after school, with both the semi-finals and final being decided on penalties.

Logan captained his Celtic to a comfortable 1st place finish in the group stages, to set up a semi-final against Bayern Munich. A last-minute Sonny goal took Celtic to penalties against Bayern Munich, which Celtic won. In the other semi-final PSG also needed penalties to beat Villarreal.

A nery final game ended nil nil. Another penalty shootout followed. It was Scarlett that stepped up to score the winner. It was a great effort from all the players involved. Also, a big thanks to Miss Moreira and Mr Herriot for refereeing.

Year 10 Performing Arts evening

Congratulations to our Year 10 Performing Arts students. A fantastic evening of performances this week including slick dance routines, dramatic monologues and group pieces from DNA, Macbeth and a Midsummer Night's Dream.

Swimming Programme

We have had a great turn out for the swimming programme with the last group due to start after half term. Students have gained huge confidence from coming to their lessons, improved their swimming skills and learnt how to perform a tow rescue. Well done to all who have taken part.

A Little Book of Vegan Poems Benjamin Zephaniah

A collection of poetry by Benjamin Zephaniah on the theme of being a vegan and animal rights. Written for the caring, dedicated young vegans of the world. Those vegans who will not stand for any exploitation whatever the species, and who are fighting racism and sexism with all the strength they get from what the earth provides. - Warning! Meat eaters may be offended by these poems. This is not an apology, simply a warning.

"The Little Book of Vegan Poems was very amusing. Some of the poems were weird but funny. My favourite poem was nature trail because it was the only one I could take seriously. Reading it with a friend was very fun. I recommend this to friends (and others too)" Emily, Year 10

"I found the Little Book of Vegan Poems very funny and hard to take seriously. It cheered me up a bit but the spelling of love as 'luv' got really annoying. It's a funny book to read with friends. I wasn't offended like it said I would be, which is disappointing (not really!). My favourite poem was nature trail."
Navy, Year 10
