Teaching Assistant

Initially Fixed Term Contract to 31/08/2023

Salary scale B1 £13,973 pro rata (£18,887 FTE)
32 hours pw, 39 weeks pa (term time)

Are you a graduate considering a career in education or working with young people?

This role provides excellent opportunities to gain experience of working in school as a pre-requisite for other careers in education or working with young people. It will be a busy role requiring a patient, calm and caring manner, and the ability to deal with a range of situations.

You will have the chance to support students individually, in small groups and join a team of committed people enabling youngsters to achieve beyond their dreams.

Good organisational skills are essential, as is the ability to work both as a team member and independently. Empathy with students is essential, balanced with the overall aim of student independence in both learning and life skills.

Training opportunities are available for the successful candidate, including the option of pursuing a Level 3 Advanced Apprenticeship qualification, fully funded and supported by the school and Hampshire County Council.

Usual hours are 8.25am to 3.20pm, Monday to Friday, although requests for flexibility will be considered.

Experience of working or volunteering with secondary aged students would be an advantage.

Please contact Samantha Freestone, SENCO (via recruitment@pcs.hants.sch.uk) if you would like to discuss details of the post.
