Fortnightly Update

16 December 2022

Dear Parents, Carers and Students,

What a wonderful term we have had!

Thank you to everyone who was able to come and support students in their production of The Wizard of Oz last week. The show was fantastic and the pride and confidence with which students performed was very powerful.

Today, we have ended the term with our traditional Christmas at Park. Whilst tucking into Christmas dinner, bouncing off excess energy on the inflatables and singing along to Christmas anthems, we have been able to take time to be together and celebrate being part of Park.

Thank you all for your support this term. We would like to wish you and your families a wonderful Christmas and New year.

YES Panto Trip

On Saturday 10 Dec the YES trip team took 20 students to The Kings Theatre, Southsea, to watch the Pompey Panto, Cinderella.

It was a chilly walk from the station but there was a lot of chatter and excitement about visiting the theatre. The Panto was fantastic... oh yes it was! There was lots of audience participation and our students were singing, dancing, cheering and booing! We even got wet from water guns during the show.

Quotes from the day:

- Can I sit with you on the train because I've never been on a train before?
- I couldn't sleep last night because I was so excited.
- I've never seen a Panto
- Can we stand up and dance?
- That was brilliant, I loved it all.

A fabulous afternoon, proving that Park is Much More Than Just a School.

Miss Seaman

Amazing work by Miss Nuttal's class for their Identity Project about the Green Man in Art.

Mr Waterfield

Park Eco Ambassadors

Do you have a passion for caring about the environment? Do you want to speak up about climate change? Do you want to see a change in how we treat our planet? Then, this group is for you!

Begins January 2023

WEDNESDAY

14:30 – 15:15

We need
YOU!

Year 7 Humanities and Art showcase

Year 7 spent Tuesday afternoon showing off what they have learned in History, RE and Art. Students have been exploring the theme of identity and what was important to Britons living in the prehistoric period. The Year 7s made posters, quizzes, models, cakes and much more, and shared with older students and parents what they have learned. The showcase was an impressive end to a good term.

Park Outdoors

Park Outdoors 22-23 had their first expedition this week. The group of Year 10 and 11 students showed superb resilience as they completed their 2.5 hour night walk across the South Downs, starting at Queen Elizabeth Country Park. Despite the very chilly condition the students were brilliant throughout and had a great time. They were led by Park staff and joined by Outdoor Adventure Activity leads, who commented positively on the students throughout. The walk was completed with no light and required real mental strength as well as physical application. The next Park Outdoors event will take place in January.

Ms Bearpark

Wizard of Oz Performances

Huge congratulations to the cast and crew of The Wizard of Oz for a fantastic run of performances. The students have worked tremendously hard getting the show ready and showed great determination and resilience for four performances!

Thank you to all parents and staff for their support with the production either behind the scenes or supporting by watching the shows!

Year 10s back at Winchester College

During their most recent visit, our year 10 Winchester College group attending lectures on mathematics and philosophy and also got to experience the college's Christmas Fair.

Mrs Capaldi

Well done Stem Ambassadors

Our Stem ambassador team have produced and sold various Christmas gifts over the past few weeks. They are well designed, creative and fit for purpose. As a result they have sold out.

Well done- we look forward to your next sale.

Mrs Gregory
