Dear Parents/Carers

Re: Year 7 Rich Challenge

This half term at Park Community School, Year 7 students' have been exploring the theme of **Our Changing World**, and it is now time for our second exciting Rich Challenge where students apply what they have learnt to a real life context.

To develop healthy lifestyle skills and forging a strong link to our greenspace, our students will visit our farm for a special experience. Students will have the opportunity to make a positive change at the farm and will revisit over the coming year to see the impact of their change.
Please get in touch with your child's Star Curriculum teacher if your child is not able to have either a hot chocolate, or a snack containing a banana, chocolate chips and honey whilst at the farm.

On the day of their farm visit, students will be permitted to attend school in their full Park PE kit and will remain in kit for the entirety of the school day. Please note this **must only be their full PE kit** and students will be asked to change if they are not in the correct kit. Please also ensure that students are prepared for the weather with a coat and sensible shoes that can get muddy.
