15 October 2026

Dear Parents and Carers

As you may already know Leigh Park has been chosen by the government to be one of the locations for **Pride in Place** funding. This is **an exciting 10-year government funding stream that will bring about £20 million into Leigh Park**. A new Neighbourhood Board has been set up, and the next step is to develop a plan based around the views of people and organisations living and working in Leigh Park.

Over the next decade the Pride in Place programme will deliver the agreed programme based on **what matters most to local people**. Spending ideas will be focused locally on the three objectives of the national programme:

1. Creating thriving places – building vibrant neighbourhoods, improving local amenities and ensuring high-quality physical infrastructure
2. Building stronger communities – bringing people together to create strong, resilient communities, and helping people to feel proud and safe in their area
3. Empowering people to take back control – creating opportunities to enable people to have a say over their community and feel in control of their lives

You can **find out more** about the funding and local updates here: [Pride in Place Programme | Havant Borough Council]

As a local resident you can help to **identify local priority areas** by sharing your thoughts. To give the board your ideas please **complete the Pride in Place survey.** This **QR code gives you access to the survey**.

Yours faithfully

Christopher Anders
Headteacher

Tell us about your Leigh Park
