Opportunities at Park Community School

Teacher of Geography

(Secondary Campus with opportunity to teach KS2)

Park Community School, Havant, Hampshire PO9 4BU

We are looking for an enthusiastic and inspiring teacher to join our Geography team. We offer an exciting opportunity to enhance an already successful and motivated staff team, characterised by an ambitious drive for excellence centred on the school's vision of 'Success for All through Attainment, Resilience and Autonomy'. We offer a fantastic working environment, where staff well-being is truly valued.

In September 2026, Park Community School became an all-through school, and this post will link across our secondary campus with the opportunity to teach KS2 on our primary site.

We guide each child as their character develops, and they discover what they love to do. Via our main school and other facilities (Farm, Print Shop, Construction Centre), we raise aspirations and prepare them for life. We are much more than just a school.

We offer high quality support and programmes of professional development for both ECTs and more experienced colleagues. As a department, we encourage staff to be forward-thinking to keep the subject current and up-to-date and are very supportive of those seeking opportunities to develop teaching and learning.

To download a Teaching Application Form, please visit www.pcs.hants.sch.uk/employment.php, and e-mail your completed application to recruitment@pcs.hants.sch.uk.

Closing date: 1 November 2026
Interviews: To be confirmed

Agencies, please note that we only accept direct applications from candidates.

Park Community School is committed to safeguarding children and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Disclosure & Barring Services (DBS) checks along with other relevant employment checks.

In promoting equal opportunities, the School welcomes applications from all sections of the community.
